

VEHICLE PHOTOGRAPHY SUBMISSION

The images you provide will be used for the vehicle listing on egauctions.com and other promotional publications and websites. Presenting quality images is the most successful tool to maximize your vehicle's selling potential.

Please submit **8-12 quality photos [JPEG format only] (Min 640 X 480)** for review in order to maximize your marketing potential. Please include photos of the front & back, driver's side, pass side, engine, interior & VIN #. The **Main photo** is generally used for most promotional printed publications.

***Please provide at least the Main and one VIN photo for each vehicle you consign.**

***Please provide a photo of both FRONT and REAR of Vehicle Title.**

BEST PRACTICES FOR QUALITY PHOTOS:

- Use your **Smartphone OR Digital Camera** and find an outdoor location to take your photos. Be aware of your background, locations on pavement with an attractive or simple background are recommended (free of people, other vehicles, or other distractions)
- Hold your phone or camera horizontally and ensure the entire vehicle fits within the screen. Take your photos in a widescreen landscape format.

***Digital Camera users: within your camera settings, set image size at, or close to 1500 KB (1.5 MB or higher) and select 16:9 aspect ratio setting.**

SUBMIT YOUR PHOTOS: Via email to consign@egauctions.com

For email issues when sending large photo files, split files into multiple email messages.
