COMMITMENTS

1. At the time of signing this contract I have entered into an agreement to deliver and offer my vehicle for sale with Electric Garage Inc. for the reserve price stated. The Reserve Price is an expected selling price that is inclusive of the auction commission. The Auction Company reserves the right to lower the commission in order to sell the car with the seller's net figure being unchanged. The seller may verbally agree to lower the reserve price during the auction process. A reserve vehicle whose reserve is lifted on the block is still subject to the 8% commission fee. If the vehicle is checked into the auction and is withdrawn or does not cross the auction block to be offered for sale I agree to pay the sale commission in full plus the buyer's fee on the stated reserve price unless specific written authorization is obtained from Electric Garage Inc. waiving said fees.
2. Entry fees are non-refundable and do not apply to commission. "With Reserve" means the owner may place a minimum protective price on the vehicle. "No Reserve" means that the vehicle will sell to the highest bidder regardless of price. These must be offered as No Reserve prior to any bids being taken. Owners may not bid on their own vehicles.
3. Electric Garage Inc. completes transactions and releases vehicles based on the buyers / bidders contract and terms. After funds are verified vehicles can be released to the new owners. Net sale proceeds will then be paid to the seller. **Consignors will not be paid prior to releasing the vehicle to the new owner. Payment is verified and placed in an auction trust account. Cheques will be mailed or can be picked up at our facility in Sylvan Lake. Payment will be ready approximately 5-10 business days following the conclusion of the auction.**
4. **Consignor represents and warrants that they have the right to consign and sell the said vehicle and that its title/registration documents are in order and match the vehicle. Furthermore, states that the said vehicle is free and clear of all liens and encumbrances to all or any financial institution or individual agent.**
5. Consignor warrants the vehicle to be accurately described to the best of their knowledge including items working poorly or no function, its history, description, or mileage is strictly between buyer / seller. Electric Garage Inc. and/or any agents or companies related to the auction are in no way liable for the vehicle description or accuracy therein.
