COMMITMENTS

1. At the time of signing this contract I have entered into an agreement to deliver and offer my vehicle for sale with Electric Garage Inc. for the reserve price stated. The Reserve Price is an expected selling price that is inclusive of the auction commission. The Auction Company reserves the right to lower the commission in order to sell the car with the seller's net figure being unchanged. The seller may verbally agree to lower the reserve price during the auction process. A reserve vehicle whose reserve is lifted on the block is still subject to the 8% commission fee. If the vehicle is checked into the auction and is withdrawn or does not cross the auction block to be offered for sale I agree to pay the sale commission in full plus the buyer's fee on the stated reserve price unless specific written authorization is obtained from Electric Garage Inc. waiving said fees.
2. Entry fees are non-refundable and do not apply to commission. "With Reserve" means the owner may place a minimum protective price on the vehicle. "No Reserve" means that the vehicle will sell to the highest bidder regardless of price. These must be offered as No Reserve prior to any bids being taken. Owners may not bid on their own vehicles.
3. Electric Garage Inc. completes transactions and releases vehicles based on the buyers / bidders contract and terms. After funds are verified, vehicles will be released to new owners. Net sale proceeds will then be paid to the seller. Cheques will be *mailed out* approximately **10-15 banking days from the sale date.**
4. **Consignor represents and warrants that they have the right to consign and sell the said vehicle and that its title/registration documents are in order and match the vehicle. Furthermore, states that the said vehicle is free and clear of all liens and encumbrances to all or any financial institution or individual agent.**
5. Consignor warrants the vehicle to be accurately described to the best of their knowledge including items working poorly or no function, its history, description, or mileage is strictly between buyer / seller. Electric Garage Inc. and/or any agents or companies related to the auction are in no way liable for the vehicle description or accuracy therein.
6. **Vehicle check-in** is Thursday, September 17th from 12:00 pm – 9:00 pm and Friday, September 18th from 8:00 am – 3:00 pm. **ALL VEHICLES MUST BE IN THE VENUE BY 3:00 PM ON FRIDAY, September 18th!!!**
7. **Vehicle check-out** – vehicles can be checked out once the last vehicle crosses the block for the day. We will NOT check out any vehicles prior to the conclusion of the sale. To check out your vehicle, you must obtain a gate release form from the EG AUCTIONS show office and present your request to one of the floor staff. NO EXCEPTIONS. **ALL VEHICLES TO BE REMOVED FROM THE VENUE BY NOON ON MONDAY, SEPTEMBER 21ST**
8. We cannot guarantee that any changes made to postings after 12pm on Friday, Sept 18th will appear on the LIVE AUCTION GROUP website. Internet bidders may not see changes to the line up done after this time. Please have all information in early to avoid disappointment.
9. Electric Garage Inc. will, at its own discretion, choose run times and particular lot numbers for your vehicle. Premium lot segments are available through your agent. Lot confirmations will be emailed during the week prior to the auction.
10. If your vehicle does not sell, it will automatically be moved to an online, timed auction beginning the following Monday. It will run until the following Sunday in conjunction with Live Auction Group and ICollector.com. We have over 2000 online, international, registered bidders including buyers in the US and Europe. We will add the location of the vehicle to the listing and help facilitate pick up. All costs associated with picking up will be the new owner's responsibility. By consigning your vehicle to the Fall Finale, you agree to give The Electric Garage ONE WEEK following the live event, to sell your unit.
